

# Parking Lot Safety

## Personal Safety:

- Plan your route, do not walk alone, avoid shortcuts through dark untraveled areas
- Park in well lit areas or near pedestrian traffic areas
- Be alert and walk with confidence
- Wear comfortable stable footwear which would permit you to run
- Check inside your vehicle before entering
- Only unlock the driver's door once you are at your vehicle
- If you think you are being followed, go to the nearest public area and contact emergency services (911) by cell phone.
- Let people know where you will be and what time to expect you
- Keep your doors locked while driving
- Keep your vehicle mechanically fit
- Fill up when you get to ½ tank of gas
- Only roll down your window enough to be heard by strangers.

## Vehicle Safety:

- Lock all doors and close all windows
- Keep all property secure and out of sight
- Use multiple anti-theft devices
- Do not hide spare key on your vehicle
- Keep your license, registration and insurance card in your wallet
